

Catamaran Bohemian

Your floating 5 Star Resort

GET AWAY FROM THE CROWDS AND CHARTER YOUR PRIVATE SAILYACHT IN PHUKET

Bohemian is the newest addition to our charter fleet. She is fully airconditioned, has very spacious cabins and is strongly built for survey. So she has 2 meter headroom in the cabins and the saloon, which gives you an "airy" feeling below deck.

Bohemian had an interior and exterior refit / restyle in December 2010. She has new bathrooms, all the cabins and the saloon are redecorated and a new main sail will give you the feeling of a "brand new boat".

If you look for a very comfortable, spacious catamaran with good sailing abilities "Bohemian" is the right choice.

Speaking about comfort: Keep in mind that "Bohemian" is fully airconditioned.
